

ClearlyDefined

Community Meeting - April 7, 2025

Agenda

- Documentation / Curation
- OWASP / CycloneDX
- OpenChain / ORT

Documentation / Curation

- Ria (HPE) found multiple issues with curation
 - [Documentation](#) outdated
 - UI challenging (for complex expressions)
 - Unable to contribute while logged in
 - No template to curate directly via PR
 - Difference between [Declared and Discovered licenses](#)
 - Candice and Lynette were able to provide some [guidance](#)

OWASP / CycloneDX

- Point of contact: Alyssa Wright and Steve Springett
- [Meeting](#) to discuss Licensing (April 11, 11am Eastern)
- Meeting's focus on existing tickets and existing solutions
 - <https://github.com/CycloneDX/specification/issues/454>
 - <https://github.com/CycloneDX/specification/issues/549>
 - <https://github.com/CycloneDX/specification/issues/554>
 - <https://github.com/CycloneDX/specification/issues/619>

OpenChain / ORT

- Point of contact: Shane Coughlan, Thomas Steenbergen, Marcel Kurzmann
- [OpenChain event in Stuttgart](#) (April 7-9)
- [ORT Community Days](#) will be held together
- Goals
 - Hear from industry peers as they share their open source processes and best practices.
 - Experience demonstrations from tool creators showcasing automated compliance solutions.
 - Participate in technical sessions focused on overcoming common challenges in the field.
 - Discover available support options from both the community and government resources
